Comments: **Some of us are lucky enough to live here. You could be too. While Central Wisconsin is popular for vacations and recreation with its natural lakes, rock formations, hiking trails, miles of public land, ATV & snowmobile routes, it's also a great place to live. Why not come home to a piece of heaven. Six acres of farm land gives you the room to build your dream home and leaves plenty of acreage to play on. This property is guaranteed buildable by the owner and comes with access to Easton Shores Lake. The area supports White tail deer, Turkeys and other cute little critters. Take the kids on down to the water for some fun fishing. Bring a camera and collect photos and memories of all the different Birds and animals you see.
