This cabin-site has a fantastic view and comes with deeded rights to a 20 acre, spring-fed, stocked lake. There is a swimming area, shared bathhouse and a small boat launch that is available only to property owners, not the public. Lots of pines surrounding this lake give you the true "Up North" feeling without all the gas money expense to go that far! This 3+ acre parcel is part of an old abandoned apple orchard but now has mature mostly hardwoods. *Call today for more information on this property and setup a personal showing! 888-696-8695*
