Some of us are lucky enough to live here. You could be too. While Central Wisconsin is popular for vacations and recreation with its natural lakes, rock formations, hiking trails, miles of public land, ATV & snowmobile routes, it's also a great place to live. Why not come home to a piece of heaven? 6 acres of farmland gives you the room to build your dream home and leaves plenty of acreage to play on. This property is guaranteed buildable by the owner and comes with access to Easton Shores Lake. 888-696-8695 www.thelandman.net
