Property Features: Wooded Area, Buildable Site, Secluded and Private, Recorded Covenants, No Mobile Homes Allowed, Near Wisconsin Dells, Near Mauston, Close to Interstate

5 Minutes from the water or the interstate and 15 minutes from Wisconsin Dells. This is a fully wooded and very private site suitable for recreation or a home. The drive is in and several camping areas have been prepped. Power is at the road. It's getting harder to find nice property like this so close to everything.
