This is what you have always dreamed of ... a home 500 feet away from Wisconsin's Second Largest Lake, Lake Petenwell. The home was quality built by Central Wisconsin Builders and includes a stone fireplace, hickory wood floors, granite island and counters, cathedral and beamed ceilings, just to name of few of its many features. There is deeded lake access to Lake Petenwell where you can boat, fish, waterski or jetski, plus much more.
