Taxes 2004 \$1,979.

Features: Thermo Pane Windows, Storage Shed

Porch, Patio, Fireplace, Deck and Brick Accent

Located just East of Big Roche A Cri Lake on a quiet country road, you will find this heavily wooded farmette. The barn is very well maintained and being used as storage now. Several additions will keep your outside toys safe from weather. Bring the horses too! There are several acres of grassland and many trails meander through the mixed hardwood and pine forest. Trophy deer and turkey in the area. This beautiful home has been professionally redone with lots of woodwork.
